

Rubric For Assignment 1: Setting Up Blogs

Score	Assessment
0	Work was not completed on time or not completed at all
1	Blog set up was partial - <code>_config.yml</code> was edited but <code>README.md</code> was not customized or <code>README.md</code> was only minimally completed and <code>about.md</code> not replaced at all.
2	Blog set up was partial - <code>_config.yml</code> was edited and <code>README.md</code> was customized but <code>about.md</code> was not customized or not enough was written.
3	Blog set up was completed but very little was put into the <code>about.md</code> file and the <code>README.md</code> has very little also or there were formatting problems with one or more files.
4	Everything was completed and thoughtful.
